

SEEKING APPLICANTS: Fall 2025 Postdoctoral Psychology Resident

Chambers & Blohm Psychological Services
Bismarck, ND

THE JOB

- Satisfies all requirements for pre-licensed “supervised employment” under ND Century Code § 43-32-20.1 allowing candidates to apply for full licensure within 1-2 years.
- Duties will depend on the applicant’s interests and specialty areas. Training will be provided by licensed psychologists with specialties in neuro/psychological testing, autism/ADHD testing, OCD treatment, sex therapy, and more.
- Highly competitive pay with the option to negotiate pay during the supervised period as either salary or production-based.
- Four-day workweek (no Fridays, weekends, or on-call hours!)
- Benefits including medical and dental insurance with cost-sharing by employer, SIMPLE IRA retirement plan with a 3% employer match, and an annual stipend for CEUs.

THE CULTURE

Located in downtown Bismarck, Chambers & Blohm is a group private practice comprised of psychologists, mental health counselors, and psychiatric nurse practitioners. Our practice has been a staple in the Bismarck/Mandan community for more than 20 years with this simple mission: *Promoting wellness through quality mental health care. Improving the lives of clients and their families.* Designated office staff handle scheduling, billing, and other business needs, allowing providers to enjoy all the freedom of running their own practice without the isolation and logistical hassles.
